Departure for Study visit – meeting point: Entrance Foyer of the City Hall

11.00 –
14.00 h

Study Visits:

“Kultur unterm Turm“: Stuttgart’s centre for innovative cultural activities for children and young persons, which combines three theatres and two cultural-educative facilities. The artistic directors will guide through the house presenting the theatres stages, art ateliers and workshops.

Integrated Traffic Management Centre Stuttgart: Within a multi-agency structure; the City of Stuttgart, the public transportation office (SSB) and the police manage, in direct coordination with the Red Cross and the Fire Department, the traffic in Stuttgart to reduce traffic jams and circulation times.

City Walk “Not just for kids“: Guided city tour for adults focusing on how the Stuttgart city centre could be introduced to children.
